February 2011

I wanted to put out some kind of newsletter since we have not had one in a while. Please note that I am only substituting for our new editor and make no claims to being an editor! I will start with our Presidents report:

Presidents Report
February 2011

Well George Womble saw his shadow and looks like we will have six more weeks of winter!!

The touring and activities committee met January 27th and I think they have done an excellent job of planning tours and meetings for our club.

We are always looking for input from our members and we will listen. If you would like to serve on a committee or just make some recommendations for meetings or tours, we would love to hear from you.

Winter is a time to find little problems with your model A, like amp meter and electrical problems that could give you trouble on the road. Do a safety check and list all problems that you have and

later we will have a get together and fix these problems. All of our cars need attention from time to time.

I am so ready to go on tour !!! Cabin fever has really taken hold of us this year. Let's all plan on meeting at Robert and Hilde Davis house February 26th , for food and making plans for our upcoming tours and meetings. What a great way to start our Rambling A year.

Hope to see you on tour.

Cason Capps

Rachel Sparks was elected to be our newsletter editor and is in the process of getting everything hooked up for her “new computer”, Thank you Rachel; we are looking forward to having you publish the newsletter. Husband Ken is giving moral support and asking members to submit stories to go in the newsletter.

I think the sick bug has hit most of us....Myra is sick and has been for a few weeks, Robert Davis has recovered from his double pneumonia, I have had the “crud” and now have bursitis in my knee. I will not attempt to list all the folks that have been sick this winter, just pray for all that

they will be healed and ready to join us on tour this year.

It is time to renew your dues to the Rambling A's. With your dues we are able to fund many of our activities during the year and make donations to worthy causes. Dues in our club are a real bargain at \$20. so please give that consideration. You may mail them to Myra Womble (address is on our web site).

We have a great club, some of the finest people on this earth belong to the Alabama Rambling A's.
